Legal Metrology Oral Examiners' report for June 2023

The Orals

The Orals followed the same format as last year with four test stations set up around the room, each station representing an area of expertise as follows:

- CSMs, tapes (length), beer dispensers
- Water meters, fuel, LPG and road-tankers
- NAWIs and weighing
- AWI weighing, packaged goods

All four stations of this session were relatively well answered by candidates with areas of strength being demonstrated in the technical area of NAWIs and weighing but with some / several candidates lacking knowledge in other areas.

A total of 38 candidates did the Oral exam in June 2023.

The pass mark for the Oral remains set at 40%. The results for the 2023 Oral examinations are as follows;

W+M Oral: All candidates passed their Oral exams this time.

In the Orals, the lowest mark awarded was 43.5% and the highest 72%.
