TOP FIVE TIPS

HALLOWEEN

The background is a vibrant orange and yellow gradient. At the top, a witch on a broom flies across the sky, accompanied by several black bats. A large, black silhouette of a jack-o'-lantern with a carved face is attached to a string, resembling a balloon. The word 'HALLOWEEN' is written in a large, black, jagged, dripping font across the top.

1

**Wear face paint instead of a mask
so you can see where you're going**

2

**Wear garments that have had
additional safety testing**

3

Check treats for potential allergies

4

Use LED lights instead of candles

5

Beware of choking hazards
